FAQs

In the run up to putting a tour on sale we get asked lots of questions relating to the shows and ticket sales. We’ve put together this handy guide to help you navigate your way through the process. We are working hard to do everything we can to make sure that tickets only end up in the hands of genuine fans.

How can I buy Tickets?

The Promoters of Ed Sheeran are committed to combating unethical secondary ticketing and resale.

All official ticket agent websites will be listed on tour advertising and at EdSheeran.com

When will they go on sale?

Thursday 26th October.

Please check with your local official ticketing vendor for time of day.

How much are the “face value” tickets?

The tickets cost starting from €79 up to €250 depending on the category. All tickets are subject to seller booking fee, plus a venue service fee.

How do I arrange to buy tickets for someone requiring disabled access?

Customers who require either a carer to accompany them or disabled access to the shows should send request by e-mail to: edsheerankaunas@bilietai.lt

What is unethical secondary ticketing and ticket resale?

Unethical secondary ticketing is when people buy tickets at face value and then re-sell them at inflated prices via non-artist approved methods and websites, thus denying real fans the chance to buy at face value.

Ticket touts and unauthorised resellers use multiple payment cards, false identities and sophisticated computer programmes (‘bots’) to buy up large amounts of tickets which they then offer for resale at highly-inflated prices.

How many tickets can I buy?

There will be a strict limit of 6 tickets per show date per transaction. This restriction is in place in order to give as many people as possible a fair chance to buy tickets. The whole party must arrive at the same time as the person who bought the tickets as the name of the purchaser is written on every ticket they bought.
PLEASE NOTE that any and all transactions that are detected as bot purchases, patrons creating duplicate accounts in order to purchase more than the ticket limit or any action that indicates a suspicious purchase in excess of the ticket limit will be cancelled.

But we want to go as a bigger group/family?

You will have to try to complete another order.

Personalization

In order to stop to the secondary ticketing market, absurd prices and fan rip-offs, the tickets are sold personalized, which means that the name of the ticket purchaser is printed on the tickets. At the time of admission, at least the surname printed on the ticket must correspond with the ID document to be presented, the second (and possibly third and fourth) person only receives access at the same time as the person issuing the identity card.

That means: When buying tickets, each of your tickets will be personalized with the lead bookers name. At the entrance to the show, your accompaniments will only gain admission with you.

The promoter reserves the right to check IDs for verification at the entrance to the venues. Please bring a valid ID document and get into the venue together with your friends and family you bought the tickets with.

Can I buy tickets as a gift?

The matching ID of the surname of the lead booker will be an entry requirement, the other tickets bought by that person can be used for other people as long as they ALL arrive with the lead booker. If you want to buy as gift then you’ll also have to attend to get your recipients into the show.

What are the entry requirements?

To gain access to the concert you are required to bring your e-ticket. You may be required to produce your email booking confirmation and a valid form of photo ID that matches the name on the confirmation.

Accepted forms of Photo ID are – Passport or ID card.

What are the age restrictions?

There are no age restrictions at the event, children up to and including the age of 5 without occupying a separate seat (provide proof of age at the venue) for free.

Ticket delivery

Only e-tickets will be sold and will be delivered to the purchaser’s email address with a delay so you will only receive them shortly before the shows are happening. You will receive a confirmation email after purchasing the tickets.

I can’t find my confirmation email?
in the first instance please check your junk or spam folder. If that doesn’t work contact the
customer services of the ticket agent you believe you booked through. If you are unsure
which company you bought from this is usually displayed on your credit card statement or
bank statement.

**I can’t go any more and need to sell on my ticket. What do I do?**

The reselling of any Ed Sheeran ticket is strictly forbidden other than through the official face
value resale platform of your original point of purchase platform. Any Ed Sheeran ticket
offered for resale elsewhere, either on or offline (including Viagogo or any other
unauthorised source including all secondary ticket retail websites), will result in the entire
original booking being cancelled. The original purchaser and their party will be refused
admission and any other purchases they hold will also be cancelled.

The resale feature will be enabled in the tickets section of your profile in December 2023.

**When will we receive our tickets?**

Tickets will be sent out delayed and you will receive them in time before the show.

**Are cameras allowed?**

Professional cameras (deemed as cameras with removable lenses), video and recording
equipment are strictly forbidden. Personal use cameras and smart-phone cameras are fine.

**How early should we turn up?**

time to get in before the start of the show.

**I can’t get in with my tickets, it failed to scan and I’ve been turned away at the
turnstile?**

Don’t worry, we can try and help you. In the first instance head to the box office where
someone will be able to help you work out what’s gone wrong. Remember DO NOT buy a
ticket from someone you don’t know either in person on the street OR from an unauthorised
