Frequently Asked Questions (FAQs)

In the run up to putting a tour on sale we get asked lots of questions relating to the shows and ticket sales. We’ve put together this handy guide to help you navigate your way through the process. We are working hard to do everything we can to make sure that tickets only end up in the hands of genuine fans.

How can I buy tickets?

The Promoters of Ed Sheeran are committed to combating unethical secondary ticketing and resale. For the 2024 tour we will be operating a names on tickets policy on tickets sold ONLY via our approved ticket outlets.

In preparation for on sale, we recommend that you register an account with our approved outlets, details listed below:

To make ticketing purchase process easier and effortless, we invite you to fill the details form prior to official sales beginning at edsheeran.ticketstation.bg. This will help you to purchase your tickets faster with no delays or extra time waiting!

Filling the form is not mandatory to purchase a ticket and will be active between 12 at noon on October 20 until 11:59 PM on October 25, 2023

The Official ticket release date is 10:00 AM, October 26, 2023.

Filling the customer detail form will:

- Inform you personally about the terms for ticket purchase and concert attendance.
- Expedite and simplify the ticket purchase process after tickets are released for sale.

Once the tickets have been purchased you will receive an email confirmation within 24 hours as proof of purchase. This is NOT your ticket(s).

You will receive instructions on how to access your ticket(s) much nearer to the shows.

Upon arrival at the show, you will then be required to arrive as a group and present your ticket(s) with the Lead Purchaser present. The Lead Purchaser will be required to have a photo ID that matches the name on the tickets.

What is a Lead Purchaser?
A Lead Purchaser is the person who had purchased the tickets, typing their name and additional data on the first place of the registration/purchase form. The Lead Purchaser is explicitly marked as such during the booking process. You can find the name of the Lead Purchaser in the confirmation email and on your ticket.

It is important that the Lead Purchaser arrives with their group and their matching, valid photo ID to enter the event.

**Where should I buy my “face value” tickets from?**

All official ticket agent websites will be listed on tour advertising and at EdSheeran.com

Only buy tickets from the authorised websites – for the Bulgarian show, this is only www.ticketstation.bg.

**When will tickets go on sale?**

10 am EEST on Thursday 26th October 2023

**How much are the “face value” tickets?**

The tickets are between 120 - 300 BGN. All tickets are subject to a maximum of 6 percent booking fee, plus a maximum of 1.5% transaction charge per order.

**How do I arrange to buy tickets for someone requiring disabled access?**

Customers who require either a carer to accompany them or disabled access to the shows should visit ticketstation.bg, and then click the “Tickets and additional support for disabled people” link at the event’s landing page, or go directly to ticketstation.bg/disabled-access.

**What is unethical secondary ticketing and ticket resale?**

Unethical secondary ticketing is when people buy tickets at face value and then re-sell them at inflated prices via non-artist approved methods and websites, thus denying real fans the chance to buy at face value.

Ticket touts and unauthorised resellers use multiple payment cards, false identities and sophisticated computer programmes (‘bots’) to buy up large amounts of tickets which they then offer for resale at highly inflated prices.

**How many tickets can I buy?**

There will be a strict limit of 6 tickets per show date per customer. This restriction is in place in order to give as many people as possible a fair chance to buy tickets. The whole party must arrive at the same time as the Lead Purchaser holding the tickets matching their valid photo ID.

PLEASE NOTE that any and all transactions that are detected as bot purchases, patrons creating duplicate accounts in order to purchase more than the ticket limit or any action that indicates a suspicious purchase in excess of the ticket limit will be cancelled.
But we want to go as a bigger group/family?

You will have to try to complete another order with another Lead Purchaser name and card.

Can I buy tickets as a gift?

The matching photo ID with the surname of the Lead Purchaser will be an entry requirement, the other tickets bought by that person can be used for other people listed during the booking process as long as they ALL arrive with the Lead Purchaser. If you want to buy as gifts then you’ll also have to attend to get your recipients into the show.

What are the entry requirements?

To gain access to the concert you are required to bring your ticket with a clear and undamaged barcode visible. You may be required to produce your email booking confirmation and a valid form of photo ID that matches the name on the confirmation.

Accepted forms of photo ID are – A current ID card, a current driver’s licence (including provisional licence), a current passport (provided the picture is a good resemblance of the holder).

What are the age restrictions?

All venue age restrictions are clearly displayed at the sales pages on the ticket agent websites.

Standing – No under 14’s on the pitch.

Seating - No children under 6.

In the unlikely event you are looking to purchase tickets on behalf of people under 18 years old who do not have access to a smartphone we recommend that you attend the show with the group.

Is there free admission for children available?

No, all visitors must have purchased a ticket, regardless their age.

I can’t find my confirmation email?

In the first instance please check your junk or spam folder. In busy periods confirmation emails can take up to 72 hours to arrive. If you still haven’t received confirmation, contact the Tour Customer Service of Ticket Station at es@ticketstation.bg.

I can’t access my ticket(s)?

Please make sure your phone is fully charged or you have your printed tickets before you leave the house to avoid this situation. Of course, if something happens out of your control please go to the Ticket Station box offices on site where someone will attempt to assist you to find your order.

I can’t go any more and need to sell on my ticket. What do I do?
The official ticket resale will be released up to 14 days before the show. The reselling of any Ed Sheeran ticket is strictly forbidden other than through the official face value resale platform – TicketSwap. Full details will be released within the month of the show.

Any Ed Sheeran ticket offered for resale elsewhere, either on or offline (including Viagogo or any other unauthorized source including all secondary ticket retail websites), will result in the entire original booking being cancelled. The original purchaser and their party will be refused admission and any other purchases they hold will also be cancelled.

**When will we receive our tickets?**

Your ticket(s) will be delivered up to 14 days before the event. Please refer to your confirmation email or ticket agent for information on the delivery method.

**Are cameras allowed?**

Professional cameras (deemed as cameras with removable lenses), video and recording equipment are strictly forbidden. Personal use cameras and smart-phone cameras are fine.

**How early should we turn up?**

Please check ticket agent websites for door opening times and do allow yourself plenty of time to get in before the start of the show.

**I can’t get in with my tickets, it failed to scan and I’ve been turned away at the gates?**

Don’t worry, we can try and help you. In the first instance head to the box office where someone will be able to help you work out what’s gone wrong. Remember DO NOT buy a ticket from someone you don’t know either in person on the street OR from an unauthorised secondary ticket website.

**What else are you doing to combat the secondary market?**

Your ticket(s) are linked to both your account with your chosen official ticket agent. This means your ticket and the individual information you gave when you purchased are linked. If a ticket is resold in any method other than via official face-value ticket resale, you will be refused entry to the venue.
