FAQs

In the run up to putting a show on sale we get asked lots of questions relating to the show and ticket sales. We've put together this handy guide to help you navigate your way through the process. We are working hard to do everything we can to make sure that tickets only end up in the hands of genuine fans.

How can I buy tickets?

The promoters of Ed Sheeran are committed to combating unethical secondary ticketing and resale.

For the 2024 shows we will be operating a mobile digital ticket sold ONLY via edsheeraninjakarta.com.

Your mobile /smartphone will be your ticket which will be contained within an app or wallet. Once the tickets have been purchased you will receive a simple email confirmation as proof of purchase. This is NOT your ticket or ticket(s).

You will receive instructions on how to access your ticket(s) much nearer to the shows.

Upon arrival at the show, you will then be required to present your mobile smart phone device containing your ticket(s). Please note you will not be able to use a screenshot.

So where should I buy my "face value" tickets from?

All official ticket agent websites will be listed on tour advertising and at EdSheeran.com

Blue : IDR 2.500.000

Orange : IDR 2.000.000

How do I arrange to buy tickets for someone requiring disabled access?

Customers who require either a carer to accompany them or disabled access to the shows should visit edsheeraninjakarta.com or contact LOKET.COM’s Customer service at +6221 2128-2127 or support@loket.com

What is unethical secondary ticketing and ticket resale?

Unethical secondary ticketing is when people buy tickets at face value and then re-sell them at inflated prices via non-artist approved methods and websites, thus denying real fans the chance to buy at face value.

Ticket touts and unauthorised resellers use multiple payment cards, false identities and sophisticated computer programmes (‘bots’) to buy up large amounts of tickets which they then offer for resale at highly-inflated prices.

How many tickets can I buy?

There will be a strict limit of 6 tickets per show date per transaction. This restriction is in place in order to give as many people as possible a fair chance to buy tickets. The whole party must arrive at the same time as the person with the mobile smart phone device containing all the tickets.

PLEASE NOTE that any and all transactions that are detected as bot purchases, patrons creating duplicate accounts in order to purchase more than the ticket limit or any action that indicates a suspicious purchase in excess of the ticket limit will be cancelled.

But we want to go as a bigger group/family?

You will have to try to complete another order with another mobile device. A maximum of 6 tickets can be made in each transaction, and 1 (one) email and 1 (one) phone number is limited to 1 (one) transaction.

Can I buy tickets as a gift?

The matching ID of the surname of the lead booker will be an entry requirement, the other tickets bought by that person can be used for other people as long as they ALL arrive with the lead booker. If you want to buy as gifts then you'll also have to attend to get your recipients into the show.

What are the entry requirements?

To gain access to the concert you are required to bring your fully charged mobile phone or smartphone. You may be required to produce your email booking confirmation and a valid form of photo ID that matches the name on the confirmation.

Accepted forms of Photo ID are – A government issued ID card, a current driver's licence (including provisional licence), or a current or recently expired passport (provided the picture is a good resemblance of the holder).

What are the age restrictions?

All venue age restrictions are clearly displayed at the sales pages on the ticket agent websites.

Children under the age of 14 (fourteen) must be accompanied by a parent or legal guardian aged 18 (eighteen) or over. Children under the age of 6 (six) are not allowed to attend the event.

I can't find my confirmation email?

In the first instance please check your junk or spam folder. In busy periods confirmation emails can take up to 24 hours to arrive. If that doesn't work contact the customer services of the ticket agent you believe you booked through. If you are unsure which company you bought from this is usually displayed on your credit card statement or bank statement.

My phone is out of battery so I can't access my ticket(s)?

Please make sure your phone is fully charged before you leave the house to avoid this situation. Of course if you run out of battery please go to the box office where someone will be able to assist you to find your order.

What if I lose my mobile phone or change my number before the shows?

Please contact the customer service email of the ticket agent you booked through.

What if my mobile phone was lost or stolen on the day of the show?

Don't worry, we have a full record of every lead booker who bought tickets for the shows and will be able to help. Please make your way to the box office in the first instance.

I can't go any more and need to sell on my ticket. What do I do?

The reselling of any Ed Sheeran ticket is strictly forbidden other than through the official face value resale platform of your original point of purchase platform. Any Ed Sheeran ticket offered for resale elsewhere, either on or offline (including Viagogo or any other unauthorised source including all secondary ticket retail websites), will result in the entire original booking being cancelled. The original purchaser and their party will be refused admission and any other purchases they hold will also be cancelled.

When will we receive our tickets?

Remember, we are operating a digital mobile/ smartphone ticketing system. Therefore, no physical tickets will be posted or emailed in advance. Your phone contains your ticket(s) and they'll be sent to you nearer to the time of the shows.

Are cameras allowed?

Professional cameras (deemed as cameras with removable lenses), video and recording equipment are strictly forbidden. Personal use cameras and smart-phone cameras are fine.

How early should we turn up?

Please check ticket agent websites for door opening times and do allow yourself plenty of time to get in before the start of the show.

I can't get in with my tickets, it failed to scan and I've been turned away?

Don't worry, we can try and help you. In the first instance head to the box office where someone will be able to help you work out what's gone wrong. Remember DO NOT buy a ticket from someone you don't know either in person on the street OR from an unauthorised secondary ticket website.

What else are you doing to combat the secondary market?

Your email is linked to your ticket order. Your tickets are linked to both your account with your chosen ticket agent AND your email. This means your ticket and the individual information you gave when you purchased are linked. If a ticket is resold in any method other than via official face-value

resale channels then the email will not be linked to the ticket(s) and you will be refused entry to the venue.
